

MESSINGER

From the Pastor

Dear Brothers & Sisters,

God has been faithful to us! These last two and a half years, we have walked through the valley of the shadows of death but as He promised, He has been with us.

This period of time has perhaps been one of the most difficult in this 2,000 year history of the church. We have been hindered in our worship by plague, deceived by false prophets, and lied to by politicians. Hatred is an international religion, and here in this country we are led as sheep to slaughter. I remind you that in all these things we are more than conquerors through Him that loves us.

This challenge we face in this present hour is to restore the vitality and the favor of our worship and praise. Observation shows me that the fire of the spirit of God in the church has no means burned out and our souls hunger for the touch that only God can provide. Let me exhort you to ask and it shall be given, seek and ye shall find, knock and the door shall be opened unto you.

Finally my brothers and sisters, I will make an important announcement Sunday, so please plan to tune in.

**YOUR SHEPHERD,
LINCOLN MONTGOMERY, PASTOR
MINISTER ANNIE MONTGOMERY, FIRST LADY**

Cultivating the Fruit of the Spirit

After Paul listed various types of sinful behaviors that can lead people astray, he listed active virtues that exhibit our willingness to yield control of our lives to the Spirit and follow God's leading.
